Stylish villa with sea views! This villa is part of a stunning residential complex that embodies the essence of modern architecture, enveloped in natural beauty and magnificent views of the Mediterranean Sea and the surrounding landscape. The exclusive complex comprises detached homes, each with its unique and stylish design, creating a sense of individuality and luxury for every resident. The homes are designed with an emphasis on natural light, creating bright and airy living spaces that are complemented by four or five bedrooms, five or six bathrooms, open-plan kitchens, spacious living rooms, and dining areas of varying sizes. The exterior spaces are equally impressive, with large terraces, swimming pools, and...(Ask for More Details!)
