Check out this great apartment in the Arenal area of Javea, located just a stone's throw from the beach. It's super convenient with everything you need nearby. This spacious 80m² property has three bedrooms, each with built-in wardrobes, and a bathroom featuring a big shower. The kitchen is nice and roomy, with a utility room right next to it for extra convenience. The living and dining area is super bright and airy, thanks to the big terrace you can access from it. The terrace has an awning, so it's perfect for chilling outdoors, whether you're having breakfast, lunch, or dinner. And the best part? It's got air conditioning for...(Ask for More Details!)
